THE WHOLE RESTAURANT, IN ONE ACCOUNT.

Digital menus, pages and smart QR codes for good food. The convenience for the diner and the ease of use for the staff – all in one account. Add tables, fill in the photos and watch your orders flow.

MENUS * PAGES * SMART C

A RESTAURANT RUNS ON TOO MANY LOOSE PIECES

3
MENUS THAT GO STALE
Printed menus are out-of-date before the ink is dry.

8
ORDERS THAT GET LOST
Orders scribbled on napkins, misheard at the bar, forgotten at the table.

2
A SCREENSAVER ON PAPER
Plastic covers and screensavers – they're not a solution, they're a symptom.

100
TOO MANY TOOLS
A different app, subscription and password for every problem.

BOXGRAPE PUTS THEM IN ONE ACCOUNT, AND EACH PIECE SWITCHES ON WHEN YOU NEED IT.

YOUR MENU, ALWAYS RIGHT, ON EVERY PHONE

Out of sync dishes, a 21,000 Visa bar, and guests who ask: You print the costs on the menu, mum, and they were delighted? Managers whatever you want.
